

Det här är en av Marinas favorit hotell i Bangkok där hon bodde i juli 04. Ett design hotell som är perfekt för den som letar efter nåt annat än de traditionella hotellen i Bangkok.

**The Metropolitan Bangkok**, is the Thai capital's newest hotspot for those at the centre of the action.

A cool and contemporary east-west aesthetic with modern Oriental accents is combined with award-winning cuisine, a holistic spa and Bangkok's chicest lounge bar. However, the Metropolitan, Bangkok, is also a place for the most demanding traveller who seeks not just style, but accurate service.

Here, at this calming haven within the urban hubbub, experience COMO's belief in detail -and our meaningful promise of perfect respite from a busy day

#### Health & Fitness

**Shambhala**, a signature urban retreat from COMO Hotels and Resorts, occupies an area of approximately 1200 sq.m (second floor) comprising 10 treatment rooms, a yoga / movement studio, separate female / male steam rooms, hydro-pool and a fully equipped state-of-the-art gymnasium. Treatments include traditional Thai, Ayurvedic and various Asian therapies for the body, face and nails. An outdoor 20m-lap pool is located on the ground floor.

Deras egna Shambhala doft är helt otroligt god, man blir lätt beroende.
