

Koh Chang, the legendary island in the Gulf of Siam, is a part of a National Marine Park where pristine natural beauty is kept intact.

On service in December 2002, Panviman, or 'Paradise alike', is nestled at Klong Prao beach, a tranquil part of the island and idyllic for swimming, offering a unique blend of serenity and relaxation within a traditional Thai architectural setting.

All of the resort's 50 deluxe rooms are majestically set in a tropical lush garden; it reflects the mood of pure comfort. All rooms feature private spacious balconies, and beautiful back-to-nature style bathrooms.

Koh Chang is a dream escape in the Gulf of Siam, far from the bustling city life, but not that far when it comes to the distance.

Koh Chang is a sub-district island in Trat province, approximately 300 kilometers eastbound from Bangkok. The island is conveniently accessible either by car directly or by flight from Bangkok to Trat Airport plus a final short transfer by car and ferry.
