## Accommodation

19 sea view guest rooms with Air Condition, Mini Bar, and warm water.

**Standard** : Honeymoon Suite situated right in Jansom Bay. The unforgettable vacation for a lifetime! It is amongst the most romantic and private residence in the Gulf of Thailand. Its private balcony commands a splendid view of Jansom Bay. This suite is ideal for those who truly appreciate finer things in life.

**Superior** : There are two types of Superiors. The Medi - Thai and The Fusion Thai.

The Medi-Thais are slightly smaller, but with private balcony, you would not feel uncomfortable. Its exterior looks Mediterranean with oriental touch inside. It also features panoramic windows in bathroom.

The Fusion Thais are slightly roomier with "screened balcony," and wooden touch. The exterior looks very Thai, but the interior is somewhat modern. The décor for the bathroom is very stylish, but it is slightly in back of the room.

**Deluxe** : There are only three of their kinds. All of them feature big private balcony, and panoramic windows in bathrooms. Each of them is tastefully decorated.

**Family Deluxe** : Honeymoon Suite situated right in Jansom Bay. The unforgettable vacation for a lifetime! It is amongst the most romantic and private residence in the Gulf of Thailand. Its private balcony commands a splendid view of Jansom Bay. This suite is ideal for those who truly appreciate finer things in life.

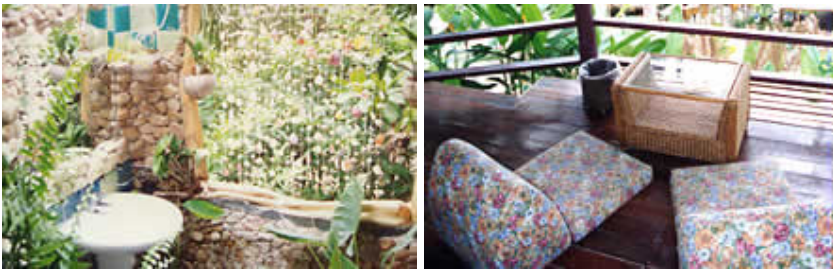

**The Villa** : The Villa is the only room situated right on Jansom Bay. It is the most popular room amongst our guests. The Villa comprises of two bedrooms with private balcony, two bathrooms with one "outdoor shower," and one separate living room. Each room has a commanding view of the enchanted Jansom Bay.

**Panorama** : There are only three of their kinds. Each Panorama Deluxe has its own panoramic view of the sea and

koh Nang Yuan. Number Seven is the prototype; it has the most commanding view of any room on the island. Number Ten is the successor; it is slightly bigger and was the first to be equipped with the "screened balcony."

Number Eleven is the latest touch; it has "outdoor shower" and "screened balcony."

However, with the "outdoor shower," the number Eleven has to have more shades from the trees for privacy.
