The Kata Beach Resort stands on the golden sands of one

of the world's most picturesque beaches.

Kata Beach is located on Phuket's west coast between mountains covered with lush jungle and the warm waters and cool breezes of the Andaman sea.

Kata Beach is one of Phuket's finest and the view of Kata Bay and Crab Island is breathtakingly beautiful. An evergreen environment adds enchantment to this comfortable resort.

Palm tree tropical gardens and a tranquil fountain in the lobby atrium add to the sense of relaxation and timelessness.

Every room has a private balcony, self-controlled air-conditioning, mini-bar, hair-dryer, a wide selection of toiletries, music and color television with satellite and in-house daily video program.

Deluxe Room : The best views of Kata Bay are seen from our deluxe rooms (pictured above).

Superior Room : The same ideal facilities as the Deluxe Rooms, but with views over the gardens or the beach road beside Kata Beach.

Honeymoon Room : Available in King Size Bed configuration, this category provides a little extra space, more comfort and has arguably even better views than our Deluxe Rooms.

Royal Suite Fit for Kings : Featuring two bedrooms, one living room. Ideal for those who need a "little extra" comfort and luxury, or who travel with several family members.
