

Sirihome On-Sea Beach Hotel

Located on a secluded beach the locals call "Crystal-Sand Beach", Sirihome On-Sea is a hidden jewel waiting to be found.

With its own beachfront, the clear blue sea is only steps away from your room door.

The property is managed with the word privacy in mind, but offers the amenities of a luxurious hotel. Our services are exclusively for our guests.

Whether you are spending days or weeks at Sirihome On-Sea, we will do our best to fulfill all your needs to give you that relaxing vacation you have always wished for.

And, unlike other large chain hotels, Sirihome On-Sea is a family owned-and-operated hotel. We do not have "management team" but rather attentive and caring hosts to provide the special personal touch.

There are only 30+ rooms at Sirihome On-Sea. This means that the hotel never become crowded. You will always have the peace and comfort that you seek in a vacation. It is our intention to make Sirihome On-Sea your holiday home.

Each bungalow unit is divided into two rooms: A and B. The two rooms are completely independent of one another. Inside every room you will find two double beds that can be combined to make one king-sized bed. Each room has a private bathroom with hot and cold water, a vanity, closets and drawers, cable television with English channels (including CNN). All of our rooms are air-conditioned. Every one also has a balcony where you can relax and enjoy the open-air.

Cleanliness is our number one priority. Food is not allowed in the room, nor do we serve food to your room. Personally, we think it is much better to sit at Jeep's Coffee Shop on the clubhouse, overlooking the pool, and enjoy the view. Pool hours are from 8am until 10pm.
